- ✔ Overhead Rug Rack
- ✔ Padded Side & Rump Rails

Heartland Floats' **Flemington 2HAL** offers the ultimate in horse comfort and safety on the road.

Featuring fully padded, adjustable dividers with integrated removable stallion barriers, combined with heavy duty rubber mat floor covering and marine-grade sound dampening, plus head-height tie rings, rest assured your equine companion's needs will be taken care of. You'll also appreciate the handy LED interior lighting should you need to travel at night.

Never run out of storage – the Flemington includes a swing-out saddle & tack box, overhead lockable rug rack and an external side-mounted toolbox. In addition, this model features a 100 litre water tank – great for those long hot journeys – mounted under the floor to maximize trailer stability.

The Flemington is constructed using only quality materials, including a double-galvanized steel chassis, paired with a premium extruded aluminium floor and heavy duty rubber matting. Flemington's exterior is protected by a full wrap aluminium checker plate stone shield.

 All Heartland Floats are built to Australian Standards and comply with Australian Design Rules.
